## THE MOON, EARTH AND SUN

During the time of Joshua, something extraordinary happened—time itself was extended. Let us read from the Book of Joshua 10:12–14: “On the day that the Lord gave the men of Israel victory over the Amorites, Joshua spoke to the Lord. In the presence of the Israelites he said, ‘Sun, stand still over Gibeon; Moon, stop over the Valley of Aijalon.’ So the sun stood still, and the moon did not move until the nation had avenged itself on its enemies...”

The sun stopped in the middle of the sky and delayed going down about a full day. There has never been a day like it before or since, when the Lord listened to a human being. Surely the Lord was fighting for Israel.” (GNT) What makes this account even more remarkable is a detail that is often overlooked: Joshua did not only command the sun to stand still—he also spoke to the moon. This is significant. The sun and moon function in precise harmony, governing day and night in a consistent, ordered system. For both to “stand still” simultaneously points to a divine intervention that went beyond a localized or symbolic event. It suggests a moment where the natural order itself was suspended. Rather than diminishing the miracle, this detail strengthens it.

## THE MOON, EARTH AND SUN

The Moon, Earth & Sun —  
A Divine Design  
Beyond Imagination

“The heavens declare  
the glory of God;  
the skies proclaim  
the work of His hands.”

— Psalm 19:1

Recently, the world witnessed history as NASA successfully launched and completed the groundbreaking Artemis II mission, sending astronauts around the Moon aboard the Orion spacecraft and safely back to Earth. For many, this stands as a remarkable achievement in science and human progress, but for believers, it reveals something far deeper: humanity has stepped into a creation that God has already perfectly designed. THE EARTH: SUSPENDED BY GOD - A Biblical Mystery Confirmed Long before modern science, Scripture declared: > “He sits enthroned above the circle of the earth...” — Isaiah 40:22 The word circle (Hebrew: chug) points to a spherical form—remarkable in a time when many believed the Earth was flat. Even more profound: > “He suspends the earth over nothing.” — Job 26:7

# DANELLE V D LINDE

*- Side Note -*

## Motion Without Chaos

- Earth **rotates** at **incredible speed**.
- Orbits the Sun at over **100,000 km/h**,
- Yet life remains **stable**.

◆

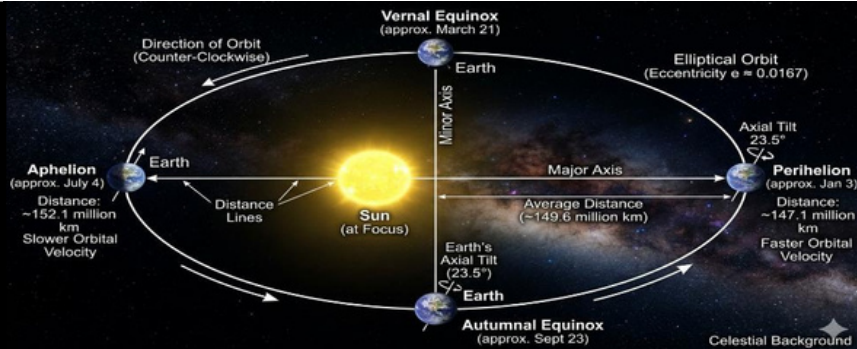

**This harmony reflects divine order.**

Thousands of years before space exploration, the Bible described Earth exactly as it is—floating in the vastness of space, perfectly positioned for life. Earth exists in a finely tuned “habitable zone”: Too close to the Sun → oceans evaporate. Too far → global freezing. This precise balance reveals not randomness—but intentional design.

## THE SUN: AUTHORITY OVER TIME AND LIFE

*God's Greater Light*  
*"The greater light to govern the day..." —*  
*Genesis 1:16*

God has created the sun as the greater light to govern the day, but it is also the source that sustains all life through: heat and temperature balance, photosynthesis and seasonal cycles. Sunlight reaches Earth in about 8 minutes—perfectly calibrated for life, even the slightest variation would collapse ecosystems.

### The Day Time Stood Still

# DANELLE V D LINDE

During the time of Joshua, something extraordinary happened—time itself was extended. Let us read from the Book of Joshua 10:12–14: “On the day that the Lord gave the men of Israel victory over the Amorites, Joshua spoke to the Lord. In the presence of the Israelites he said, ‘Sun, stand still over Gibeon; Moon, stop over the Valley of Aijalon.’ So the sun stood still, and the moon did not move until the nation had avenged itself on its enemies... The sun stopped in the middle of the sky and delayed going down about a full day. There has never been a day like it before or since, when the Lord listened to a human being. Surely the Lord was fighting for Israel.” (GNT) What makes this account even more remarkable is a detail that is often overlooked: Joshua did not only command the sun to stand still—he also spoke to the moon. This is significant. The sun and moon function in precise harmony, governing day and night in a consistent, ordered system. For both to “stand still” simultaneously points to a divine intervention that went beyond a localized or symbolic event. It suggests a moment where the natural order itself was suspended. Rather than diminishing the miracle, this detail strengthens it.

The text presents an event so profound that it cannot be explained within normal natural processes—it highlights the sovereignty of God over creation itself. Time, light, and motion all responded to His will. In this moment, the battle was not only fought on earth—it was reflected in the heavens.

**THE MOON: SIGNS, SEASONS & PURPOSE** God’s Appointed Timekeeper> “He made the moon to mark the seasons...” — Psalm 104:19 The word *moedim* means appointed times—including biblical feasts. The Moon governs: Passover, Biblical calendar cycles and Spiritual rhythms. It is a stabilizing force that controls tides, stabilizes Earth’s tilt and prevents climate chaos. Without it, life would likely not exist.

# DANELLE V D LINDE

## SOLAR ECLIPSE DIAGRAM (TOTAL)

This 'perfect fit' allows us to view extraordinary features like the Solar Corona, Bailey's Beads, and the Diamond Ring effect (as shown in the main diagram). If this was all random coincidence, how can we have so many exact numbers to make such a complex, perfect system?

*This is an amazing design from God!*

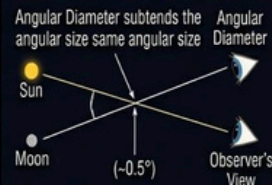

### SIDEBAR: A COSMIC DESIGN

#### A Magnificent Coincidence or Perfect Design?

The phenomenon of a 'total eclipse' is uniquely possible because of a precise cosmic scale. While the Sun is exactly 400 times wider than the Moon, it is also exactly 400 times farther away. This precise balance makes them appear to be the same size in our sky.

If they were any different, we wouldn't see it.

# DANELLE V D LINDE

Victor Glover, the pilot of the Orion spacecraft is known not only for his excellence as an astronaut—but also for his open Christian faith. A powerful statement often attributed to him reflects this perspective: > “I don’t think you can see what I’ve seen and not be changed... It strengthens my belief in God.” For believers, this is significant: Even those who leave Earth and view it from space often return with a deeper sense of a Creator behind it all. This is exactly what happened to commander Reid Wiseman, who was also on the Orion spacecraft. Wiseman shared a profound emotional experience regarding his return to Earth, stating that although he did not consider himself a "religious person," he broke down in tears upon seeing a cross on a Navy chaplain's collar. While some social media posts claimed an outright "conversion to Christianity," news reports indicate it was a profound, overwhelming emotional moment that left Wiseman, who was previously not religious, questioning his perspective on faith.

**Some may ask:** Should humans even explore space? The answer is found in God’s nature: God is a Creator and humans are made in His image, therefore, we are driven to explore, discover, and learn. > “It is the glory of God to conceal a matter; to search out a matter is the glory of kings.” — Proverbs 25:2

### DEBUNKING THE MOON LANDING MYTHS

There are persistent claims that humans never landed on the Moon. However, overwhelming evidence confirms that the Apollo 11 mission in 1969 successfully placed astronauts on the lunar surface.

**Evidence Includes:**

- 1  Moon rocks brought back and studied worldwide
- 2  Retroreflectors still used today for laser measurements
- 3  Independent tracking by multiple countries
- 4  The idea that it was faked would require a conspiracy involving thousands of scientists and engineers across decades—an extremely unlikely scenario.

 APOLLO 11 MISSION

# DANELLE V D LINDE

## CONCLUSION

**GOD OF THE IMPOSSIBLE** What once seemed unreachable is now within our grasp. In recent missions, spacecraft like Orion have journeyed around the Moon and safely returned to Earth—demonstrating that humanity is once again reaching beyond our world. Yet even in these remarkable achievements, we are only scratching the surface. The Earth still hangs on nothing. The Sun still moves at His command.

The Moon still marks appointed times. Science does not diminish these truths—it reveals them more clearly. Every orbit, every discovery, every step into space echoes a deeper reality: creation is not random, but ordered, sustained, and purposeful. And no matter how far humanity travels, the greatest mystery remains not the universe itself—but the One who spoke it into existence.

If you're still uncertain about whether the Earth is round or flat, simply scan the QR code. # THE GOSPEL MESSAGE

## SPREADING THE GOOD NEWS!

HAVE YOU ACCEPTED JESUS  
CHRIST?

## THE GOSPEL MESSAGE

### Romans 3:23 ESV

**"For all have sinned and fall short of the glory of God,"**

The abovementioned verse is an extremely well used verse and many people know it and can even quote it off by heart, but the significance of it is the reality that every single person needs to contemplate.

If you have not accepted Jesus as your Personal Saviour yet or are thinking about it, you have to start here. The reality of your sin problem cancels and disqualifies you from the very presence of God and this bars you from eternal Life. Your choices are simple here, either an eternity with God or an Eternity without God. I would think that the logical answer would be an Eternity with God. Why? Well let's look at this:

### 2 Thessalonians 1:9

**"They will be punished with everlasting destruction and shut out from the presence of the Lord and from the glory of his might"**

**NASB**

---

This is the reality of a choice that omits Jesus as your Personal Saviour -

- = **Everlasting Punishment**
- = **Destruction**
- = **Shut Out**
- = **No Godly Presence**
- = **And no Glory at all**

This is not something to take lightly and by the way this is not scaring you into making a false decision, God is love, thus we as His followers are love, this means if I say I have the love of God, it is my duty to tell you the truth and point you into the right direction.

So in looking at the sin problem and the reality of this, what is the answer then? Let's look at this:

**John 14:6**

**Jesus said to him, "I am the way, and the truth, and the life. No one comes to the Father except through me."**

**NASB**

What a wonderful solution to an immense problem, God has made a way and in making the way He has also made it very clear that this is the only answer to the problem. You have to accept Jesus His Son in order to obtain Eternal Life and ward off all the destruction and other bad things spoken about in the previous Bible verse.

It also makes it very clear that this can only be done through JESUS CHRIST His Son, there is no other way to salvation or Eternal life other than through Jesus, NONE!

Let's look at this too:

---

### **John 1:12-13**

**"But to all who did receive him, who believed in his name, he gave the right to become children of God, who were born, not of blood nor of the will of the flesh nor of the will of man, but of God."**

**NASB**

Wow! Just look at this, not only do we get Eternal Life but we become Children of God. The impact of this is massive as it speaks to the fact that we now belong to the family of God and receive the benefits of being part of a family, and not just any family but a royal family (1 Peter 2 vs 9).

So in looking and understanding all of this, How do you accept Jesus as your Personal Saviour?

### **Romans 10 vs 9-10**

**"that if you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you will be saved; 10 for with the heart a person believes, resulting in righteousness, and with the mouth he confesses, resulting in salvation."**

**NASB**

Let me just make one point very clear before we look at the above verses, your salvation cannot be obtained by good works, you cannot go to Heaven or be part of God's family because you are a good person, or you do good deeds, No! The Bible makes it clear, if you want to accept Jesus as your Personal Saviour then it gets done on the basis of two things. These two things are critical because it will also help you on your work with the Lord and attain righteousness and a life pleasing to God.

**Firstly, you have to confess with your mouth that Jesus is your Lord, this is very important because by your confession God will know and people in the world will know. This is significant because one does not hide a light under a bowl. Everyone must see and hear that you are a child of God.**

# BELIEF

And secondly you must believe in your heart, with your whole being and understanding that Jesus was raised from the dead and is alive and is your only Saviour.

So if you have read all of this and the Holy Spirit is directing you to accept Jesus as your Personal Saviour please pray the prayer on the next page, God loves you so much.

---

ACCEPTING JESUS IS EVERYTHING!

# PRAYER FOR SALVATION

Dear Lord Jesus,

I understand that I am a sinner and in need of desperate saving, The Bible tells me clearly that the only answer is for me to confess with my mouth and believe in my heart. I am now confessing with my mouth that I am accepting You as my Personal Saviour and believing in my heart that you are alive and well and dwelling within me. Thank you for the gift of the Holy Spirit and the fellowship of other Believers and allow me please to follow in your footsteps. Amen!

Wow! Congratulations if you have just prayed this prayer, and know that you are now part of the family of the Kingdom of God. Please tell someone about your decision, pray all the time and read and study your Bible. Find a Holy Ghost, Bible preaching church and join.

Please let us know if you have made this decision and allow us to point you in the right direction.
